

Vacation Budget Checklist

1

Transportation: Estimated cost of gasoline/diesel. This includes fuel use while traveling during your vacation, not just getting there and back home.

\$								Fuel
\$								Tolls

Food: Consider every meal for every family member. Remember to include beverages and anything consumed while traveling in the car. Be sure to include tips when eating out. If you're bringing a cooler, consider the cost of ice.

\$								Food for car
\$								Breakfasts
\$								Lunches
\$								Dinner

2

3

Lodging: Remember that there will be taxes and possibly other fees added on to your hotel costs. These extra fees can really add up. If traveling to your destination will require more than one day, be sure to include that night of lodging, both ways. Include tips, too.

\$								Lodging
----	----------------------	----------------------	----------------------	----------------------	----------------------	----------------------	----------------------	---------

4

\$							Parking fees
\$							Tickets to events
\$							Other costs

4

5

\$								Clothing needed for trip
\$								Home preparation / maintenance
\$								Guide books
\$								Items to entertain children in car

6

[illegible]
